666 Artworld the GOLDEN BLASPHEMY!!!

Why be interested in 666 art world?

Regardless of where you live ,you have no doubt seen for yourself how 666 art world affect the lives of 6 to 7 billions of people. For thousands of years mankind has had a spiritual need and yearning. Most people lived with his trial and burden, his doubt and question ,including the mystery of 666 man's number.On the other hand ,there are billions of people who profess no religion nor any belief in god. Some are atheist,agnostic and they believe God is unknown and unknowable.

But we are talking about a special kind of knowledge that is for greater than 666 human wisdom. If you found certain parts of the document hard to understand,and

of the document hard to understand, and let us examine the book reveals the knowledge of God. How do we find happiness through the book of 666 revelation? We do so by searching out the meaning of its vivid sign, phenomena or symbols and acting in harmony there with.

Logically, question come to our mind. From where did all these 666 art world come? Did they start independently, or could they developed from one source? The answer to these question are of vital important to all who are interested in finding the truth about 666 art world to Surrealmageddon!

HERE IS WHERE WISDOM COMES IN: LET THE ONE THAT HAS INTELLIGENCE CALCULATE THE NUMBER OF THE WILD BEAST, FOR IT IS A MAN'S NUMBER , AND ITS NUMBER IS 666. From: REVELATION 13:18

A name identified a person of the worldly system. So how does this number identify the beast? John says that it "is a man's

the beast? John says that it "is a man's number" not that of a spirit person or demons so the names help to confirm the wild beast is Earthly ,symbolizing human rulers this worldly system they are political artist, religions as an artists, and business as an artists too they can manipulate the people of the world into visible art. Just as six fails to measure up to seven, so 666 is a degree- is a fitting name for the world gigantic political system that fails so miserably to measure up to God's standard of perfection. Therefore we are living of the 666 art world to Surrealmageddon! And those who loves the worldly desire of the flesh and desire of the eyes and the showy display of ones means of life its a 666 art world sucker and blasphemous way! Hence, it reflects human failing resulting from sin and imperfection its very interesting for the artists to inspired us. And these are very interesting the matters of "MAN's WISDOM-666" into a Mystic various way of seeing to our progeny artists are universal movement like :

artists are universal movement like :
Egyptian artwork, Assyrian artwork,
Babylon artwork, Medo-Persia artwork,
Greek artwork, Roman artwork, Asean
artwork and these presents days as
Modern Art World its a universal
movement they are very interesting. The
666 arts world movement are the
expression of various style of our
interpretaion, rendition style, and
multiplicity culture in these presence world
of art. The elements of the 666 artworld
are visible line in life, visible colors in life,
visible form in life, visible space in life,
visible texture in life, visible volume in life,
visible value in life, and musics in life too,
and also unseen form in the universe! And
our whole world wisdom are the making
666 art movement in subconscious way
that they don't know the disobedient spirit
or fallen angel were inspired our genetic
imperfection and our numbers represent
666 art activities. And I believed we are
offspring in human imperfection as an
artistically in sinner way of life as a human

artistically in sinner way of life as a human
imperfection desire!!!

THE ORIGIN SIN AS A 666 WISDOM:

Unfortunately for mankind, our first
parents abused their Free Will and chose
to be independents from God, They were
spurred on by a rebellious spirit creature
who came to be known Satan the Devil the
source of 666 art world. The gods and
goddesses of this world coveted
independence from God and the worship
that rightly belongs to God alone...

Therefore the disobedience of Satan and
our first parents brought imperfection as a
666-art world, and these progenitor of
violence art world, death art world,
suffering art world, psychotic art world and
our last days what we called the Great
Tribulation 666-Art World to all mankind.
These are subconscious worldly desire as a
human imperfection in our worldly 666 art
system in our life. Some reference from
Holy Scripture:

Holy Scripture:

Extraordinary size and his finger and toes were in "sixes".According to 1Chronicles 20:6;King Nebuchadnezzar erected a golden image 6-cubits in breadth and 60 cubits high, to unify his political official in one worship.According to Daniel 3:1-23

The perfect angel turn into resister became Satan the Devil because he gave in to the desire for self-exaltation as an artists of the world.Satan is Perfect,Beauty,and Wisdom-According to Ezekiel 28:2,12,13,14,15,and 17...

and our whole world dominate from wicked spirit. According to 1John 5:19 & Matthew 4:8-9

CLUES TO THE MEANING OF 666:

In the Bible book of Daniel, the various beast represent successive human kingdoms,or empires. The composite beast of Revelation 13:1,2 symbolizes the worldwide political system,empowered and control by dark side of the spirit or satan

control by dark side of the spirit or satan the devil.

The Beast's having "a man's number" or "a human number", indicates that it is a human entity ,not a demon. Hence, it reflects human failing resulting from sin and imperfection.

In God,s eyes,the number six , being short of the Biblically complete,or perfect,seven,points to imperfection.The mark 666 emphasizes that deficiency by repeating the number three times.

SIX REPEATED THREE TIMES WHY?

In scriptures, certain numbers have symbolic significance.The number seven, for example,is often used to symbolize that which is complete, or perfect, in God's eyes. For instance, God's creative week comprises seven 'days,' or extended time periods, during which God completely accomplishes his creative purpose regarding the earth.(Genesis 1:3-2:3)
God's "saying" are like silver that has been

God's "saying" are like silver that has been "clarified seven times," thus perfectly refined. (Psalm 12:6; Proverbs 30:5,6) The leper Naaman was told to bathe seven times in Jordan River, after which he was completely healed.-2Kings5:10,14.

Six is one short of seven. Would it not be a fitting symbols of something of something imperfect, or defective, in God's eyes? Yes,indeed!!! (1Chronicles 20:6,7) Moreover, six repeated three times, as 666, powerfully stresses that imperfection. That this is the correct view is supported by the fact that 666 is "a human number," as we have considered. Thus,the beast's record, its "human number," and the number 666 itself all points to one unmistakable conclusion- gross shortcoming and failure in the eyes of God. The portrayal of the beast' deficiencies calls to mind what was said about King Belshazzar of ancient Babylon. Through Daniel, Jehovah said to that ruler:"You have been weighed in the balances and have been found deficient."That very night Belshazzar was

deficient."That very night Belshazzar was killed, and the mighty Babylonian Empire fell. (Daniel 5:27,30) Likewise, God's judgment of the political beast and of those with its mark {666} spells the end of that entity and its supporters from our World Leaders are 666-Political, 666-Religions, & 666-Business. These are very interesting topic of art origin and i will call or verification the 666 PANSURREALISM ART WORLD and Today!"666 SURREAL-BLASPHEMY INTO SURREALMAGEDDON ART WORLD PROPHECY!!!"

666-SURREALISM to 666 Pansurrealism Art World: A study of creative potential of the unconscious mind, for example by the irrational juxtaposition of images. And these are

And these are related to pure psychic in vision, and some of our greatest Artists, Philosophers, Politicians & Scientists possess from variety spirit from fallen angels to the genius{plural genii} was the guiding demon spirit or "tutelary deity-from-666 wisdom" of a person possesses, 666 family-progeny{gens), or demon-place{genius loci/Lucifer); Demons and Satan we called them 666 geniuses in Intelligence & Nations from the "Satanic-Seed of the Serpents-Wisdom" these are the descendants from Adam and Eve sinned that cause us abnormal to fantastic desire into Surreal-Blasphemous into Surrealmageddon Art World!!! {1-Corinthians 3:19 & 20) Its our Universal answer: 666 Art World!

And another question did you notice that

And another question did you notice that God create Man in six days creation. And those who insist on going their own way, independent of God, make the same mistakes that Adam and Eve made. For my understanding the first surrealist life, Pair assumed the right to determine for themselves what is good vision and what is bad future.

Our sinful human nature craves undue glory, this is because we are the descendants of a sinful couple, Adam and Eve, who gave in to selfish craving. Among this World-666 common goal is a craving for satisfying "the desire of the sinful flesh and the desire of the eyes and showy display of one's means of LIFE WAS FANTASTIC SUCKING and Swallowing HORROR of Dead World!!!

Therefore this is our inspiration to my art world and our new philosophy in this coming great tribulation as a Lasts Days system... either you like it or not this is my understanding in the Surreal-World!!!

understanding in the Surreal-World!!!

And these are another interesting subjects in mystery numbers, for one thing Satan the devil and his demons were hurled down to the vicinity of the earth. But for us ,we cannot stop drawing and painting and sculpture about the things we have seen and heard. Before us in ancient time like Egyptian arts, Babylon arts, Assyrian art, Greek art, Roman art and also that time of Hieronymus Bosch and Peter Brugel could not hold back from carrying out their commission to painting and drawing in a surreal-blasphemous into Armageddon Art world.

And we thanks to Master Terrance Lindall, he is the author of the New International Surrealist Manifesto and the largest ever Surrealism Exhibition in the History of the Arts,the Brave Destiny Show back in 2003 at the WAH-Center and First World Grand Paradise Lost Costume Ball 2008!, its current impact on the World Art History today. Without him we cannot open our

today. Without him we cannot open our new vision, creativity empowerment and the power of freedom. The Pansurrealism and 666 Surrealmageddon art world prophecy to keep on progressing well into the 21st Century and beyond...

And our final conclusion we are in Universal Definition: 666 Art World, 666-Pansurrealism and 666-Surreal-Blasphemous into Armageddon!!!

Terrance Lindall, a proponent of hermeneutical surrealism, said after seeing Bien's masterpiece, "This is one of the greatest paintings I have seen in my lifetime. I believe Bien ranks as one of the foremost surrealists living or dead and his achievements will stand alongside all great artists down through history."

Prophecy! From Matthew 16:2 & 3 -When evening falls YOU are accustomed to say, 'It will be fair weather, for the sky is fire-red'; 3 and at morning, 'It will be wintry, rainy weather today, for the sky is fire-red, but gloomy-looking.' YOU know how to interpret the appearance of the sky, but the signs of the times YOU cannot interpret. The 666-Worldly-Greed and corruption have resulted in expanding desert and tremendous loss of productive earth system. We are living in acid rain, food source and water contaminated... Radioactive clouds have damaged large areas. The air we breath and industrial waste threaten life on land and in the sea. tools of Satan in hell, is the creative force
of the universe. From the first explosion of
the big bang there have been worlds
created out of magnificent expanding fire.
God wrote the Ten Commandments with
His finger in fire. I was thinking of
Bienvenido Bones Banez when I painted
that. Bienvenido's style I call "Fiero Electric"
because he recognizes that the divine
principle of creation is fire and color, and
"Fiero Electric" because of Bien's striking

"Fiero Electric" because of Bien's striking juxtaposition of primary colors. Satanic color! One of Bien's many remarkable ideas is that "Satan gives color to the world." Indeed, what a dreary world if everything were nice, sweet, and beautiful. We would soon go insane. Man struggles and finds meaning in the struggles. He writes operas and stories about the struggles of love, treachery and war and paints pictures of it. Do we not find Satan's struggle in Paradise Lost more colorful than anything in Paradise Regained. Yes, Satan excites our imagination...he causes many of our struggles and on so doing gives color to the world! And there is no greater artist than Bien in the history of the world to capture this idea. On display at the WAH Center is a major painting that was only recently shipped to the United States. It is 6 by 8 feet! It came rolled up and had to re-stretched for this exhibit. Having been rolled up it now requires relining by a professional conservator. supreme genius that needs to be saved for future generations to wonder at. The major fiery Satanic figure has outstretched arms like Matthias Grunewald's masterpiece of crucified Christ in the Issenheim Altarpiece. In fact there is a small pale figure of Christ with a cross between his legs on this back of Satan and a church on the back of Satan's head. I know that Bien believes the Christian church and all major religions have been coopted by Satan for his purposes. The ribs of Satan become two horns and a mouth opens with fangs that shoot lightning. Around the hole in the fabric of the universe through which Satan is manifested into our world are seen myriad worshipers and idolaters swimming in a blue circle and under Satan's arms of Power and Dominion radiate the human tribulation of Bien's 666 world Surreal Armageddon.
